English to Arabic text matching and proofing

Hourly

- Est. Time: Less than 1 month, 20 hrs/week
- Posted 7 days ago

[Apply](#)

Hello, We are looking for a native Arab to match translation (already translated materials) in Arabic to an english source. The text materials are books in the subject of stock market, finance, statistics, accountings and economics. The candidates need to have a proven background on that area (degree) and to be familiar woth MS-Word. We will only reply for candidates who mention their native language and the finance background that ... [more](#)
